Dear Sir/Madam

As known, Istanbul Chamber of Commerce (ICOC) is the largest organization in Turkish private sector and the oldest commercial institution with its 350.000 members and representatives from every field of trade and industry.

Being the largest and most effective Chamber of Commerce of Turkey (world 16th economy), we give great importance to the platforms which provide range of possibilities for our stake holders (Turkish private sector) in order to guide them using on information and communication technologies and e-commerce opportunities.

In this context we would like to introduce you the ICT Summit Eurasia – Bilişim Zirvesi '11, Turkey's biggest convention of business and technology professionals. Our Chamber is one of the supporters of this fruitful event. It is now expanding internationally to become one of the most prestigious events of the ICT industry in the entire Eurasia. The ICT summit, to be held on 3-5 October 2011, is a trademark of the Interpromedya Company, which has created and been organizing the event since the year 2000. You are more than welcome to review the archive of previous events, as well as the details of this year's program at www.ictsummiteurasia.com.

We would therefore like to ask you to please forward this invitation to the member companies of your organization, and encourage them to be a participant of the event. In parallel with the vision of becoming a truly international platform, The event will be an effective way of establishing strong contacts between potential business partners as in previous years.
